From the Oval Office - President's Report

Plan to attend the Annual Ride September 23rd-27th – More info to follow

“It’s hard to believe we’re halfway through the 2015 year. We had 42 members and guests for the Lucky 5 ride. It was a huge success! Bob Moreau did a great job leading the ride through the plush lower valley up the saddleback and onto the Pacific Crest Trail where we returned to camp, upon our return to camp we were greeted with a spectacular lunch prepared by Jim Sheridan. The ride was blessed with the presence of the Kuerbis brothers, John Benson, Ted VanArsdale and Chris Mummert.” Chuck Gallant

July 25th and 26th our ride will be at Rancho Samatagama (hosted by Terry and Charlene Brown) an Overnighter. The ride kicks off with a members and significant others Dinner Party Saturday evening. Cocktails at 5:30 pm and Dinner 6:30 pm – Come and enjoy the evening on the lawn by the main house. Overnighters are welcome at 4pm park the rigs in the arena-follow the signs for parking -For the party there will be parking in front of the house for cars . Sunday morning we ride out at 10am for our Monthly ride –Look forward to seeing you Saturday evening and Sunday for the ride.

The first six months of this year has had its moments some sad and others full of fun and great attendance, on behalf of the Board of Directors I want to thank you for the support you given us this year.

The monthly ride committee headed up by Chuck Gallant has provided us with some great rides and the opportunity to see country others never see. The drought has not been a help but we’ve still been able to enjoy our back country.

Don Horn headed up our Members Only Ride with the largest attendance we’ve had in years and we’re working on fine tuning the ride to make it more enjoyable.

Work is progressing on finishing the storage shed at Los Senderos Park thanks to Rick White and his guys and will be finished by the annual ride. Thanks Rick and Chris for spearheading the project.

Next month’s ride will be at Palomar Mountain August 22nd and 23rd an Overnighter.
