### President's Report

Hello "Gentlemen" and "Honored" guests,

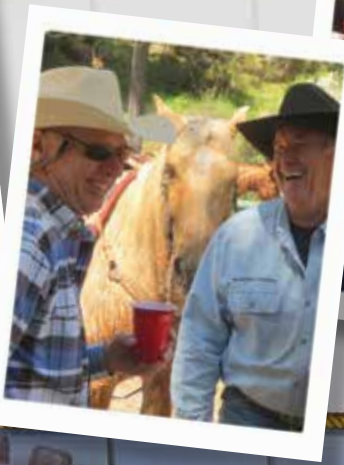

**M**uch is being accomplished behind the scenes for us faithful LS brand riders. You will notice an incredible improvement in the presentation of Ride photos on our LS website. Brett Lesser and Don Horn have combined talents to give us higher quality photos, slide shows and rapid available purchase of the ones you want to have on your wall. Check out the Gallery.

The Membership Committee has approved 2 "New" LS members, Mike Scott (sponsored by John Sedberry) and Craig Schmad (sponsored by Walt Turner). While you won't find their faces in this years booklet, I am certain you will greet them on many upcoming rides. Please make an extra effort to welcome them both to our club.

The Members Only Ride is only a few weeks away and Bill Cuddeback has the reins well in hand. The "Veteran Roper" says we are going old school so be ready for fun in the saddle. Some of you might want to check in on Bill as he is having shoulder surgery now and a kind word may help him recover more quickly. He truly is a fun guy to ride with.

By the time you read this the Monthly Ride Committee will have scouted out our April 28th Ride scheduled to start from Tim Dirkes Ranch and will take us through The Garbani Ranch. Please R.S.V.P on the website whether or NOT you can ride with us.

—Ted Van Arsdale 🐾

### March Ride—Shaw's Ranch

**W**ow! Was it a beautiful setting in Descanso. It was easy to see why some of our boys chose to settle in that green alley adjacent to Cleveland and Cuyamaca Parks riding trails. Our hosts—Al Shaw and his wonderful daughter Tana made us all feel more than welcome. Ken and Diana Clark provided a wonderful BAR stop at their historical ranch site. Andy Dvorak provided some entertainment there with his trick horse. A great deal of effort was put out in advance by members Michael Gardella, Danny Green as well as our hosts named above. We had 37 in the saddle including Larry and Jerry Konzen who wrangled a couple steeds for the day.

Their congenial companionship is always appreciated on the trail.

Bill Cuddeback brought a great group of guests including Donny Bright and John Van Aken. Rick White brought guests Bob Whiney and his very pleasant wife. And “Special” acknowledgement goes to the Best Dressed cowboy at the Ride—Tom Laff’s grandson Trevor. It appears he is following grandpas footsteps.

April 28th Ride—The Garbani Ranch, Descanso While still a couple weeks away, you shouldn’t miss this month’s ride. Trail Boss Ken Clark will lead the ride staging from our own Tim Dirkes Old Highway 80 Ranch. There is a great deal of early California history on this one. We’ll head out at 10am sharp so don’t dilly dally. Please support the trail crew with an R.S.V.P. on our LS website whether or NOT you will be there of simply call Ken Clark home# ( 619 ) 445-9170.

May your next ride be your best Ride.
