President's Report

Hi Guys, How about that weekend courtesy of the Brown's! It begin with their hosted party on Saturday night, overnight camping, a beautiful ride on Sunday, and was followed by another of Jim Sheridan's terrific lunches. The ride this month was enjoyed by 63 riders and over 80 folks for lunch. (Mike Gardella brought 18 guests himself). Perfect weather, good friends, great trails, margaritas and a group of Mariachi's courtesy of Joe Cano, Bill Cuddeback, Mike Gardella and Larry Kuerbis added to the festivities of our fiesta theme. Could not have been better and what about the singing talents of our own Joe Cano? As Tuck would say, "Now that's what I am talking about."

All in all it was a lot of fun. Our thanks again to our hosts, Terry & Charlene.
 —Happy Trails, Larry 🐾

Announcements

Our Annual Ride is coming up quickly. Your committee has been busy getting everything finalized and they have fun weekend planned. We will once again be fortunate to have the talented Steve Tellum provide a cattle sorting clinic along with Rick Hoffman, extreme cowboy challenge winner, conducting a clinic on the cowboy challenge course. After we have sharpened our skills it will be time to compete in both the sorting and the cowboy challenge. In addition rides have been planned for both Thursday and Friday along with games of skill and chance. The Annual Ride is always our premier event of the year and this year will be no exception. If you have not already registered please do so ASAP and consider bringing a guest or two to introduce them to Los Senderos. Any questions please contact Andy Dvorak (760-445-0399) or Steve Williams (714-350-2308), our ride chairmen.

Remember we are always looking for good prospective new members. No better way to showplace Los Senderos than to bring them on a ride. 🐾

August Ride

This month's ride on August 26th will take us to the north end of the Cuyamacas and will be led by our own Ted Van Arsdale, who mastered the trails as a member of the Cuyamaca Volunteer Mounted Rescue Team. A portion of the ride will take us through pines and meadows and eventually around Lake Cuyamaca. We will leave from the Sunrise Trail staging area on Sunrise Highway near the Lucky 5. There are restrooms available. Should be beautiful. We will ride out promptly at 10:00 AM. 🐾

Directions:

Sunrise Trail staging area is on Sunrise Highway, 3.3 miles east from the intersection of Highway 79 and Sunrise Highway.
