President's Report

The Kemp Ranch in the Laguna's is arguably one of the prettiest places anywhere. Over 40 riders showed up last Sunday at this beautiful location to ride, enjoy the scenery and swap tales with members, spouses and guests. Our trail boss for the day, Gregg Bledsoe the ranch foreman, led us through the pines around the lake and across creeks to our extended bar stop. We then took a different, but just as beautiful route back to the ranch house and enjoyed a wonderful meal courtesy of Jim Sheridan. You know we were all enjoying the moment as folks lingered well after lunch. Our thanks to the ride committee, our trail boss Gregg and Jim Kemp for allowing us to enjoy his ranch for the day.

See you all at Rancho Samagatuma in July.

Announcements

We offer our condolences to the family of Len Gilman, long time Los Senderos member who passed away last month. Len was 94 and had been a Los Senderos for over 25 years.

Our condolences also go out to the family of Owen Strange who passed away last month. This year's Member's Only Ride was held at Owens's Val Verde Ranch in Aguanga..

Remember to get your reservation in for the Annual Ride ASAP to take advantage of the discount. It's going to be a good one. If you can, invite a guest to introduce him to Los Senderos. 🐾

Cowboy Wisdom

Common sense ain't as common as one might think.

Monthly Ride

This month we will be guests of Terry & Charlene Brown at their beautiful ranch, Rancho Samagatuma, in Guatay. Our ride will be led by Terry who takes us to special places on the ranch that few of us have seen. This ride has become an annual treat that we all enjoy. Their hospitality and beautiful home provide a beautiful setting for our dinner after the ride. This month our ride will have a Mexican food/drink theme with special entertainment during lunch. Are you ready for a Fiesta? Please RSVP via the web site or call Larry Kuerbis directly at 619-523-1075.

Directions: Interstate 8 to Descanso exit and head to Guatay. Drive approximately 6 1/2 miles (1 1/2 miles past the Hwy 79 turnoff). Turn left into the gate for Rancho Samagatuma near the town of Guatay.

Cowboy Trivia

Horses have an acute sense of touch. For example, a horse can pinpoint a fly anywhere on its body and can twitch the exact muscle fiber that resides directly below where the fly has landed.
