President's Report

Hello Men, what a great group of guys this club has riding for the brand. You All really showed up this past month at the Howe's Ranch. It made the Monthly Ride Committee feel accomplished for their efforts. On behalf of the organizers... thank You!

If you will skip to the Monthly Ride Report you can see what our committee has planned for the July monthly ride. In addition to our usual fun gathering, Chris Castillo is organizing efforts to bring our "Honored Guests" to Rancho Samatagama on Sunday July 27th. You can be of help by reaching out to one of these special guests and encourage them to accept the invitation being sent to them. Our booklet does not include their phone number and Chris can use your help if you know their phone number. We are even addressing transportation needs for them.

It seems a few of our membership have had troubles using the LS website. If you cannot access the Home Page, be sure to check that you are using "Capitol" letters for LS (name) and LS1951 (password). As always, Don Horn is willing to help you through a difficulty. While many of us are not computer savvy, Don is.

Make sure your calendar is clear for our upcoming Annual Ride September 24-28 at LS Park.

Chairman Jim Salvatore and his committee have things well lined out to insure you will have a great time. This years ride gift is being created by our own Joe Eggert. A LS personalized bronze. One you will definitely cherish. Watch the US mail for your invitation. This special gift is ONLY available to those who register in advance for the 5 or 3 day ride. Note that on the Release of Liability waiver there is a typo 2004. It should be 2014. Consider yourself informed.

Craig Knox has submitted his notice to go inactive. A man without a horse now (sold Ed), working his hind end off on projects for Habitat for Humanity, has decided some free time with his wife and motorcycles is needed now. Some have called me to express their disappointment. We will definitely miss his deep joyous voice around camp for awhile.

Take a few moments today to say hello to your horse or a good friend. —*Ted Van Arsdale* 🍷

Early last month Bud Baker reported to the hospital for some clean up surgery on his lower back from an operation he had a while ago. Due to complications his stay became much longer than initially expected. He spent a couple weeks in rehabilitation wards and just returned home. I am confident George kept the staff working diligently to ensure his dismissal as soon as possible. Give him a call as he could use some companionship from Los Senderos.

Roger Berry is healing slowly but surely. Not too happy about sitting quietly while his horse and trailer do the same. Can't think of a more congenial guy to call and say hello to. He's always interesting to listen to and you can hear him light up with a smile as you discuss life's experiences. 🍷

Monthly Ride Report —Tim Dirkes

You All really showed up this past month at the Howe's Ranch. It made the Monthly Ride Committee feel accomplished for their efforts.

At the beginning of the week the ride event was in question whether to have it or not. Thanks for making the great decision to ride with the guys. 45 in the saddle and even more made time to sit and have lunch. We had a good number of members bring guests along which sparks up the awareness of how special these rides are. How often can you have a bar stop like that one? Thank You to the Laffs' as well as the entire ride committee headed by Vice President Tim Dirkes this month.

This month-July 26-27- will be hosted at Rancho Samatagama by Charlene and Terry. This is always one of the high lights of the monthly rides as the Browns put on a magnificent social (5:30pm start) with dinner (6:30pm start) on Saturday evening. Over night camping is available right there in the arena. Then the next morning we grab a bloody Mary and hit the trail at 10:00 AM sharp. Please R.S.V.P. by phone to Tim Dirkes (619) 322-1645 or me (858) 922-1524. You may respond by the website if that is easier. We must provide a head count to Charlene and Terry by Thursday July 17th. Even if you tell either of them you plan on coming, YOU MUST let us know as well. All of our "Honored Guests" are invited to attend on Sunday and we truly hope you will come and join the LS family. 🍷
