## DE SAN DIEGO

June 2014

### President's Report

**G**reetings Gentlemen and Honored guests. We are officially into Summer with the passing of Memorial Day. The San Diego County Fair is setting up and shortly there after Del Mar Racing begins. An open invitation to you all to stop by our Feather Acres Farm and Nursery anytime you may be out for these events. We are located right near the track.

Thank you to Tuck, Roger and their crew who put on the 2014 Members Ride. It was very well attended. I had the pleasure of playing cards with George Merz and Walt Turner amongst others. If I am going to give my money away, I can't think of better guys to do it with. Bud Hidden came and shared some time too. Craig Knox and Jerry Moss led our group rides and George Barnard handled a little of everything (Colours, Water Truck, Bar Stops, Entertainer) . Thank You again Boys.

Checked in with Roger Berry today. He was in good spirits and positive about the healing process following the surgery on his hip. Because he will be laid up again for a short while, I encourage you to give him a call. He is a very accomplished man and has a great deal of experiences to share.

We all lose a very special member—it is with sadness I share with all the members that Dr. Jack Boyer passed away on 5/31/14 a few months before his 93rd birthday. Jack was a long time member of Los Senderos and 2 time past president 1986 and 1987. Jack had a special presence possessed by few and was recognized by all. He was a born leader—whether in his profession, as a cowboy, in his community or his church. He

was a mentor to so many and it was a true Blessing to know him and a privileged to work along side him and to call him a friend. I know he cared a great deal for this group and considered it a highlight to know so many of you both professionally and personally. Please keep Jack, Donna—his wife of 46 years, and daughters Clare and Michele and all the family in your prayers. Jack will be greatly missed. A Memorial service is planned on June 14, 2014 at 11am at the Alpine Community Church. —*Ted Van Arsdale* 🍷
