President's Report

April's ride could not have been better, beautiful weather, a beautiful ranch, great food and of course terrific company. And what a tremendous turnout. We had 46 riders and 64 folks for the luncheon meal. Danny Green won top honors with the 10 guests. A fun time at a historic ranch.

All this could not have been possible without the work of Larry Kuerbis' Ride Committee, especially Bob Moreau, who led two pre rides to make sure every thing was perfect. Also a special thanks to our host Bobbie Daley. Again, thanks to all who helped .

Looking forward to seeing all the photos on our web site taken by our talented photographer, Brett Lesser.

See you all at the Members Only next month.
