President's Report

Hopefully with the terrific weather of spring you and your horse have had some quiet time together. It appears that way from attendance of members and guests at our last couple of monthly rides. The April ride just short of 45 riding and 73 friends and family sat for lunch. Probably most attended to admire the beautiful progress Tim and Gail have made at their Old Highway 80 Ranch. Truly incredible.

Your Board of Directors will be meeting this week. Among topics will be planning for 2014 new Board members. If you have an interest in helping the organization by becoming a Board Member, a position that has no big salary, perks or Health benefits, contact one of your Board members or me.

The "Members Only" ride is 2 weeks away and your participation is requested by or Chairman Mr. Bill Cuddeback. He has set up a relaxing ride event

with meals catered by Descanso Junction, a bottomless Bar including Coors Light, and lots of time with your horse and friends without other responsibilities. Prices and more information are in the Monthly Ride Report. However, please R.S.V.P. on our website or call Bill at (619) 994-9977 to let him know whether or NOT you will be attending. Walt Turner and Poker may well be available too.

According to our By Laws, membership dues for "Active" and "Inactive" members are to be paid by February 1st. Come on slackers! If you continually forget, get er done. If you are having financial troubles like many people are, please let Scott Vowles know confidentially. This club values your involvement more than money. —*Ted Van Arsdale* 🍷

Monthly Ride, April 28th on the Garbani Ranch

Wow! What a magnificent turnout by all you stallions. Tim, Ken and Bill really put on a pleasant and beautiful ride event. With some special assistance from local Sheriff deputies all was set for safety . It May be that this group has a reputation requiring policing. The mounted ride count was varied between 43-45 depending on the count before or after the bar stop. Those boys can make a stiff one when they want to. The luncheon was also impressive with 73 seated and socializing. Special guests included Walt Turner and new member Craig Schmad, wonderful ranch hosts Fred and Karen Garbani, Mike and Mardi Tinch as well as the Merrigans. We seem to have a little competition going for who can bring the most guests. This time there was a 3-way tie with Tim Dirkes, Tom Laff and Tuck Arnold each with 9 family and friends. TD had so many Gail had to help with introductions. They are a great team together.
