President's Report

Not only was this month's ride coordinator able to put together a first class ride on a beautiful ranch, arrange for perfect weather, pick interesting trails and a perfect lunch spot he also proved to be a very knowledgeable historian. Bill Middleton did his research and relayed interesting facts about Witch Creek and the Tulloch Ranch in particular. For example, who knew that the area had been selected as a town site and had been subdivided into 50X150 foot lots over a century ago. Only the scarcity of water put a damper on those plans.

Most of us on the ride were having the pleasure of riding the ranch for the first time and the experience certainly far exceeded any expectations we may have had. It is truly a beautiful working ranch. More than one participant rider said the experience was a memory they would not forget.

Our thanks to Bill for his efforts and our gracious ranch hosts, Bill and Betty Tulloch for sharing this special place with Los Senderos. .

This Month's Ride

This month Bill Middleton will again be our trail boss as he returns to his old stomping grounds in Mesa Grande. We will ride a portion of the Cauzza and Feigal Ranches. Bill says the ride will cover some beautiful country and include high vistas of the surrounding mountains as well as looking down at Lake Henshaw. If last month's ride led by Bill, is any indication, I suspect we are in for another treat. A special demonstration is also scheduled at our lunch stop. You won't want to miss it. We will ride out promptly at 10:00 AM.

Plan on joining your fellow Los Senderos' members for our last ride of 2012. Also what a perfect ride to bring guests or potential new members.

Directions: *The ride will originate just off Mesa Grande Road which can be reached by going North on 79 approximately 2 miles from Santa Ysabel. Turn left. More specific directions will follow after the pre-ride.*
