President's Report

We are in the final 2 months of the calendar year and I have a few items of importance to share with you all. Our Annual Meeting is a month away—Tuesday, December 16th at 6 pm—and will be held at the Sycuan Golf Resort, El Cajon. The change in venue will allow more of our membership to attend being closer to most. This is the time to address business items for our club and I encourage both “Active” and “Inactive” members to attend. We have a proposed Board of Directors Slate which includes Terry Brown, Chuck Gallant, and Scott Vowles. We will have a By Laws amendment proposed;

Section 3.A: A person may be elected to membership provided he has met the requirements for membership as stated in ARTICLE III Section 1. and has attended at least 3 Monthly Rides and 1 Annual Ride of 3 days or more in the past 18 months, and the membership is less than sixty.

Your vote will count on this item and no Judicial court can over rule it. This location has some great golfing available and rooms can be had for those of us who intend on staying up late. Each member will get 2 drink tickets for the hosted bar and hors d'oeuvres will be on hand, too.

Our Annual Dance and BBQ will again be hosted at the Mountain Valley Ranch in Ramona. The date is Saturday January 24th and the band Chapped Cheeks will play for our enjoyment. More on this by invitation next month.

I have received a couple nice notes and emails from our “Honored Guests” who have expressed gratitude for

making them know they are welcome. Know gentlemen, your efforts are appreciated.

LS Park Policies are in everyone's hands. It is all common sense information. The Board has determined that, when you bring guests to LS Park who have not signed a Release of Liability this year, you must have them sign one. The form is available on our website or call me and I will send you one in advance.

You may or may not know that a few weeks ago Chuck Gallant suffered a serious head injury with damage to his eye. He says he is recovering, but the process will take a long time for good vision to return.

Roger Berry is returning to good form with his recovery as he and Don Bright took time to escort Mr. Bright's ranch for a camp out at LS Park last weekend. And you know where Don goes there is generally a fair number of females along.

We have a new Los Senderos member. Welcome Leonard Newman to the club boys. Nothing but good reviews on this one. —*Ted Van Arsdale* 🍷

Member Spotlight

Richard White

He became a LS member in 1979 sponsored by then father-in-law Ralph Roelofsz. Rick feels a deep dedication to Los Senderos because he has had the honor to be associated with many great men who have been strong influences on this club. In his words, "I jumped at the chance to help the club be better". He became President in 1989 with guidance from Jim Foster. His sense of commitment runs true to family and work. His wonderful wife Cindy and he were married in 1995 and have raised 5 children, now with 2 grandchildren. Rick operates his own construction business which he started in 1981. In 1987, he joined the El Cajon Mounted Police. His passionate commitment to all the above took a set back in 2011 when Rick had open heart surgery. Family and horses are what he cares about most. Occasionally he and Cindy take a tour on the motorcycle. However, time in the saddle mean the most to him. He does golf very well with a 10 handicap when ever he can. Take a minute to ride along side Rick White. He is the real blood of Los Senderos. 🍷
