### President's Report

December 16th we held our "Annual Meeting" to address some important matters for our club. I will briefly cover each of them as best as I can.

- Verna Poorbaugh has decided to handle our LS Booklet another year. However, she wishes to pass this duty on to someone else and will train them through 2015. Anyone interested should contact Tim Dirkes.
- Major discussion occurred on continuing our colorful news letter with the unanimous decision to do so. Containing costs where possible was a concern so if you prefer a hard copy by mail watch for a request for your preference.
- It was decided to re-acquire Workman Comp. Insurance as protection for possible occurrences when we hire nonmembers for special club duties. Tim Dirkes is already arranging this through our current insurance agent.
- An amendment to our By Laws (exactly as presented to you in last months news letter) was presented and voted to approve;

Section 3.A A person may be elected to membership provided he has met the requirements for membership as stated in ARTICLE III Section 1. and has attended at least 3 Monthly Rides and 1 Annual Ride of 3 days or more in the past 18 months, and the membership is less than sixty.

- Next months event is Saturday Jan. 24th Ho-Down / Dinner

hosted again at the Mountain Valley Ranch Barn in Ramona. Your invitation is coming soon by U.S. mail so keep an eye out for the Pony Express rider. The band "Chapped Cheeks" will provide some great music and dinner will be by Jim n Jan. Hope to see you

there in casual western attire for foot stomping time.

- The Slate of new Directors was presented and approved. Director Terry Brown, Secretary-Treasurer Scott Vowles, and V.P. Chuck Gallant will ride along side new President Tim Dirkes.

I want to Thank You for the honor of being President these past 2 years. —*Ted Van Arsdale* 🍷

# Happy New Year! Monthly Ride Report

**H**appy New Year—The last ride of the year Nov.29th& 30th was hosted by Ken and Diana Clark at the Clark Ranch in Descanso (Hulburd Grove).Ken has a historic horse stable that he has restored on the property. Festivities started Saturday evening with entertainment by our own Johnny Blankenship followed Sunday morning with breakfast served by Jim Sheridan to 22 riders.

The riders (32 of them) rode out at 10am and enjoyed a beautiful ride with a beer stop at Larry Kuerbis's Ranch (Larry couldn't be there because he was doing the Hula in Hawaii). We had 61 for dinner for dinner under the oaks at Ken's enjoyed the fire pit and each other—all in all it was a great time a couple of minor glitches but all turned out well. Get ready for 2015 and more enjoyable rides in our back country (sometimes we forget how privileged we are to go and see the county like we do). Our committees are working hard to put together a fun and enjoyable 2015 for our members and guests.
