A few words of "Appreciation" for everyone who made the efforts to R.S.V.P. on our website for the weekend events. We are definitely having some technical problems. New and improved isn't always better as some may know. However, Don is diligently working on rectifying the problems. And you can always use the Old system of calling Me or President Chuck.

Charlene and Terry Brown are magnificent hosts and know how to put on an incredible party. The scenery for cocktails and dinner couldn't have been more perfect for our LS membership and guests totaling 54. Scott Brown demonstrated his professional cooking skills again handling the main course. Smiles and full plates were enjoyed by everyone. "Thank You" to our gracious hosts.

4481 as a Los Senderos member we are all custodians for the park, and are encouraged to attend and share some sweat and laughs. Food and refreshments will be provided.

Our LS Members meeting is scheduled for Tuesday, December 12th We will have 3 openings on our Board of Directors, please contact any of the current directors if you would be willing to serve on our board.

We have a lot of great events planned for the remainder of the year, please do your best to close the year out strong with Los Senderos!

Best,
Chuck Gallant

Sunday morning brought us Bloody Marys and a pleasant group ride on the spacious ranch led by Terry Brown and Bill Cuddeback. It is such a pleasure to ride behind those 2 as they create a majestic picture of being made to fit in the saddle. We headed out with 35 and found our midway bar stop under the shade of oaks by the lake. Matt Jones rode tandem with his little daughter seated in horn stirrups. The family connection is what has been an integral portion of our club since its inception. Hope more will bring young and old rides next month.

And speaking of old riders- Bud Baker (and his younger wife Carolin) attended both days activities. Definitely a pleasure to share time with them. Finally, Thanks to Tom Laff and Steve Vaughn for acting as Gate Keepers.
