## From the Oval Office - President's Report

**H**ello Los Senderos Members & Honored Guests,

The past weekend we had our Los Senderos Park Clean Up Party in preparation for the 66th annual ride. Thanks to all the came out and pitch in. The park never looked so good! Our annual Ride Committee Mat Jones & Bob Wining have been working hard to make the ride a success. Please take a look at the ride schedule attached. When you get a chance please say hi to our newest Los Senderos member, Gordon Garewal. He will be attending the Annual Ride.

See you all at the 2017 Annual ride.

Best,  
Chuck Gallant

## August Ride Report • Tulloch Crouch Meadow

On Sunday the 27th we had one of our best ride events of this 2017 year. Glen and Margaret Drown were incredibly gracious hosts to us on behalf of the Tulloch Family Partnership allowing us to ride the beautiful Crouch Meadows property. Glen went out of his way to work with spear head Tim Dirkes and our Ride committee in preparation and it created a magnificent day. The weather was cooler than predicted and we even had some cloud cover at times. Just about all our "Active" members came to this one, and many with guests. We too had the pleasure of Danny Green, Chris Castillio, Tom Claycomb and Michael Gardella & Rick Klicka. This was a special ride to be sure.

Shortly after heading out we lost Robbie and Tuck Arnold due to a horse flat tire (pulled shoe). And as the true gentleman he is, Ken Clark chaperoned them back to base camp. Always a huge loss to not ride a trail with these 2 guys. However, the Bar Stop allowed us to wash away our tears with some special shot mixtures John and James created under the pines. One of our guests, Larry provided us with a rodeo bucking demonstration and he was really good. Once back to base, Jim had the tables set and served 65 his per-

fectly prepared tri-tip and tender chicken with grilled vegetables. I attempted to give the Host Gift to Andy Dvorak instead of Glen Drown who would have nothing to do with that. We sincerely hope the Drowns and Tullochs will enjoy the goblets with our Los Senderos logo engraved on them. A huge Thank You goes out to Tim Dirkes and our monthly ride Committee- Don Bright, Bill Cuddeback, Steve Vaughn and incredible trainee Tom Laff for their efforts on your behalf.

A Special Notice; From the Bar we want to serve "Quality" libations to everyone. To do this we try to only serve fresh juices, sodas, beer and such. And we toss out dated or skunk product. Please inform the Bar Tenders or a Ride Committee member if you experience anything bad tasting from our Bar. We won't take offense. The only other means we would have is to "Taste Test" everything before presenting it to you and not sure that is a good idea.

Looking forward to riding with you ALL at The Annual Ride.
