Ride Report for Pioneer Town

The ride at Pioneer Town was a unique experience. Scott and Becki are remarkable hosts. Not only were the dinners 5-star, we were treated to continental breakfast each morning, snacks in the afternoon. NOTE: Always accept dinner from a meat broker!

Riding through mountains of boulders in perfect weather (the 70's), a total of nine enjoyed the weekend. Feels good to ride horseback through a complete western town with tourists on both sides of the street. The barn, residence and property are beautiful and relaxing, definitely horse perfection. Drinks and conversation around a 20-foot fire ring was spectacular. Thank you, Scott and Becki!
