## March Ride Report • Moss Hacienda

From Don Horn, Vice-President:

Last month's ride was hosted by Jerry and Margaret Moss. Before the ride the weather report was questionable as to whether we would have rain or not. But the rain held off and other than some brisk wind at times the event turned out to be a great ride. Leading the ride was Jerry Moss with his trusted compadre Bob Moreau. The ride started off from Jerry's home and led down the trail to the bridge at Cuyamaca. At the bridge we were met by our fine group of bartenders and bar trailer. Unbeknownst

to all of us on the ride, Jim Sheridan made us a special treat of the best clam chowder. It was truly a delight. Thanks, Jim.

When we returned from the ride we were once again treated a great meal prepared for us by Jim. This month Jim had steaks waiting on the grill for everyone. Another great surprise. Once again, thanks to Jerry & Margaret Moss for their hospitality.

## Reminders From Rick
