June Ride Report • Corde Madera

What a beautiful ranch! For those of us who enjoyed Saturday, it started with a social afternoon of drinks and conversation, progressed to an evening ride down to the lake amongst the wild animals and cattle. Sunday was well attended with 35 for meals. Rob Paulin was our trail boss and wonderfully amiable host. Weather was just right as we rode the

ridges, enjoying spectacular views of the ranch and beyond. Our bar stop was very relaxing with snacks provided by Jim Sheridan. Then off again towards the lake where once again nature came out for our viewing. A big thanks goes out to our hosts, Brent and Diane. Please make sure to express our appreciation whenever the opportunity arises.

July Ride • Samataguma

Later this month: Samataguma. July 2018 has us returning to Samataguma, guests of Terry and Charlene Brown. Once again, this is an overnight opportunity to enjoy the outside camping and socialize with our friends. Saturday has us guests for dinner and drinks,

always a delicious and fun time. Make sure you RSVP on the website. Sunday we will ride the always beautiful ranch. Let's make this our largest turnout of the year, as it has been in the past. See you all there.
