July Ride Report • Los Senderos Park

Los Senderos Park: Blessed are Los Senderos members to have access to such a great location to enjoy. The park's layout works so well as a riding camp. Bill Cuddeback led us on a most relaxing ride. Perfect location for the bar stop, under trees, next to a lake. Weather was nice, slight breeze all day. The bar was refreshing. Jim Sheridan (as always) presented

us with another fantastic dinner. First time monthly ride for our newest member, Larry Wilskey, and his wife, Terese. Once again, our thanks to Terry and Charlene Brown.

Next month finds us up north. Details on website coming soon.
