### November Ride Report • Mendenhall

November! What a fantastic monthly ride we had this year. The attendance from the membership was great, probably the best ever for Thanksgiving weekend. Such a great effort from our monthly ride group teaming up together, Tim and Ken, enjoying both ranches in one ride, out across Merigan ranch, through Garewal's business and down dead horse

trail. The weather was perfect. Bar stop at Ken's place was long and relaxing. When we returned, Jim Sheridan was right there, as always, with great food. Our bartender, Adam, served all day. One to remember. Thanks to our great members for coming out. Can't wait for 2019.
