October Ride Report • Palomar

Sorry for those who missed our last monthly ride. I can't remember if we have ever ridden this property, the Tulloch ranch. We were guests of Glen and Margaret Drown, led through some beautiful country by Glen's niece, "Alison," an exceptional horsewoman. The weather was perfect. Our new bartender, "Adam," started off wonderfully, right on time for

our beer break alongside a beautiful meadow. Then back to the trailers through rolling hills and oak trees, to a fantastic meal by Jim Sheridan set in the grass, under old oaks, overlooking grazing cattle. Again, a truly scenic, wonderful ride.
