President's Report

I would like to thank Rick White for his help and guidance this last year and for putting on such a great Los Senderos dinner dance. The venue selected "Descanso Community Hall" was the perfect choice. Everyone had a great time. Thanks as well to the other members who opened their ranches for members wishing to spend the night. Thanks to everyone who participated in making the dinner dance a memorable event.

I believe that the dinner dance set the pace for the club this year. I saw excitement in members and members offering ideas of things we can do for this year's membership. Your board has taken the lead in what I can say is nothing but FULL STEAM AHEAD.

This year we have a friendly competition between Tom and Tim Laff. This year's Members Only Ride will be headed up by the elder statesmen Tom Laff, and you can bet he will be pulling out all of the stops for this ride.

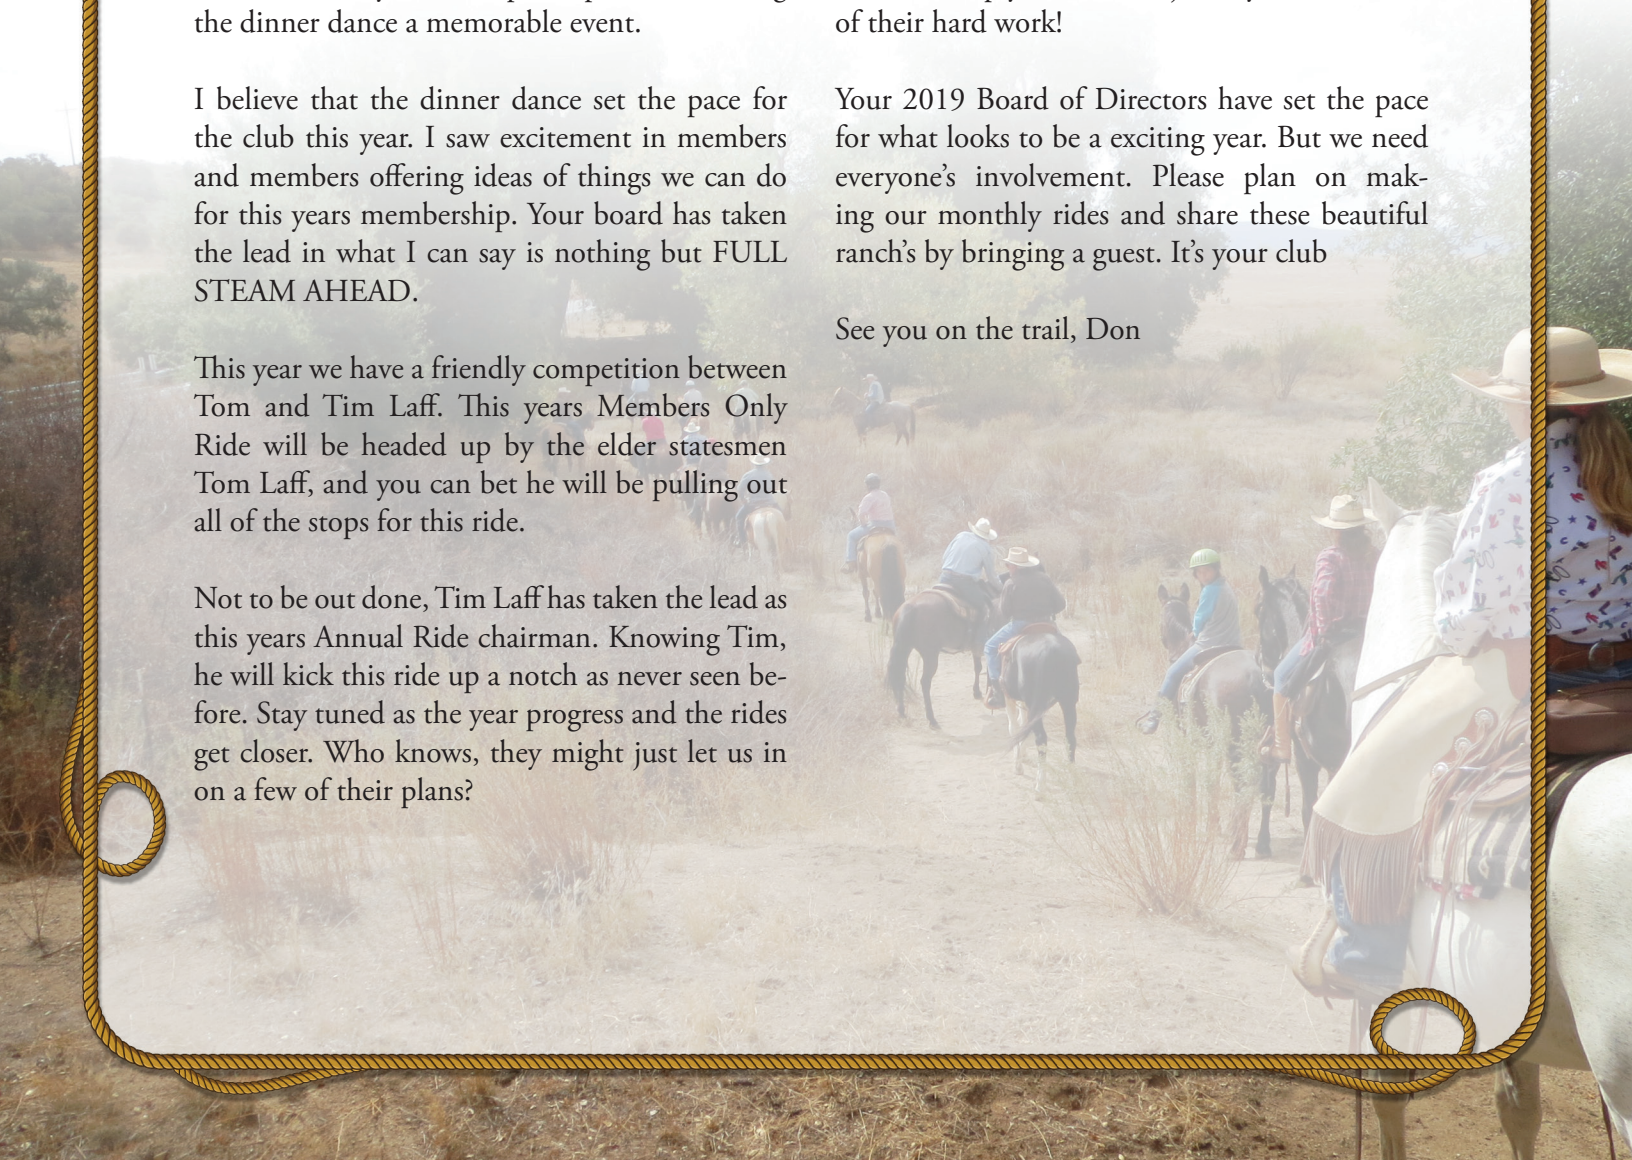

Not to be out done, Tim Laff has taken the lead as this year's Annual Ride chairman. Knowing Tim, he will kick this ride up a notch as never seen before. Stay tuned as the year progresses and the rides get closer. Who knows, they might just let us in on a few of their plans?

Don't let these 2 ride events slip past you, schedule them now as these rides are ones to not miss.

Your 2019 Ride Committee has done a fantastic job in lining up our monthly rides and they are sure to be a crowd pleaser. Buy the way, if on the trail you happen to be passing a Ride committee member, Tip your hat and just say thanks for all of their hard work!

Your 2019 Board of Directors have set the pace for what looks to be an exciting year. But we need everyone's involvement. Please plan on making our monthly rides and share these beautiful ranch's by bringing a guest. It's your club

See you on the trail, Don

February Ride - Rancho Jamul

Los Senderos Park Chairman – Bill Cuddeback

February Ride - Los Senderos first monthly ride for 2019 will be Sunday February 24, 2019 at Rancho Jamul .

Rancho Jamul has been a tradition for Los Senderos as the first ride of the year for many years going back to when Lawrence Daley was a member of Los Senderos. This is truly an Opportunity to ride and see some history of San Diego and ride on an Original Mexican Land Grant.

There are many memories for many of our Old Time Members riding on Rancho Jamul, having dinner by the pool and bringing our kids and swimming in the pool and being barked at by Lawrence.

The majority of Rancho Jamul has been sold to California Fish & Game the family still holds the property around the Ranch Buildings. (We don't know how much longer we will have the privilege to ride out of the Ranch).
