

# Los Senderos

DE SAN DIEGO

March 2019

## President's Report

I would like to express how honored I am to be serving you as president this year. Rick White set the path last year making it much easier to follow behind, many thanks to you Rick.

Your 2019 board of directors held its first board meeting to set the direction for the club this year. Rick White agreed to handle the bar trailer and staffing of bar tender for remainder of the year.

Every year the two rides that always seem to be in question are the Members Only Ride and the Annual Ride. I must say that this year's 2 rides will be going down in club history. Tom Laff has taken on the members only ride while his brother Tim Laff will be heading up the annual ride. So get ready for some friendly competition. And from the sounds of it these two have plans that will rival past years rides. As time nears, we will keep you posted!

See you on the trail, Don

# March Ride - Moss Hacienda

Thanks to our monthly ride committee for their hard work and dedication to setting this years rides.

This year, they have taken the lead and have lined up some really great rides for all of us to enjoy. So take a moment and say thanks when you pass them on the trails.

After canceling our ride at Rancho Jamul due to weather conditions, our ride committee made up for it with a great ride at Moss Hacienda. The weather and trails were perfect, one couldn't have asked for anything better. Our trail boss Jerry Moss led us through some well-groomed trails where you could hear the water running down the streams. The ride took us to

Bud Bakers Ranch where we held the bar stop. Bud thank you very much for hosting the bar stop. Your ranch and hospitality was the perfect setting for the club to stop and socialize.

Afterwards Jerry led us back to his Hacienda where Jim had steaks ready for the club and its' members. The afternoon was topped with the club singing happy birthday to Margert. A special thanks goes out to our bar tender Adam who made sure everyone was well hydrated during the ride.

**BE SURE TO RSVP FOR OUR NEXT RIDE! YOUR CLUB NEEDS YOUR SUPPORT!**
