President's Report

This month's ride was led by Steve Vaughn and was hosted by ranch owner Kathy Feigel.

We started the ride with our traditional introductions and then Steve led us through what would be the first of several water crossings and past the first herd of cattle. They escorted us on the trail for what seemed to be the first 30 minutes of the ride. Steve led us through the rolling hillsides of the property that overlooked Santa Ysabel with views that were nothing but spectacular! Our welcomed bar stop was nestled in the oak trees, where we were treated to refreshments and meatball sandwiches (Thanks to Jim). Steve finished off the ride by leading us through the very picturesque areas of the ranch that truly makes this ride such a memorable ride.

As always, Jim put on a great meal. Many thanks to our ranch host Kathy Feigel who gave us the history of her property and followed up with answering many questions from our members.

Once again, thanks to our Host Kathy Feigel and our 2019 ride committee led by Steve Vaughn for a fantastic job in setting up this ride.

ARE YOU READY FOR NEXT MONTH RIDE!! Julys ride will be at Samatagama 27th & 28th. Terry and Charlene Brown have invited the club to their ranch on the evening of Saturday July 27th. This event is very special for both our club and Terry and Charlene Brown. We ask that all of our members come out and participate in both of these events. This is a great time to relax and visit your fellow members and friends. Come and support your club.

Sundays ride July 28th will be at Samatagama. We're looking forward to a great turn out for both of these events. Sundays ride will be catered by Descanso Junction so we need a head count for this as well.

Please RSVP on the web site so we can give Charlene and Terry Brown a head count.

ANNUAL RIDE UPDATE: Our 2019 Annual Ride is just around the corner. Tim Laff who is heading up this year's ride has been letting a few things out of the bag as to what he has planned. It looks like Tim is going to raise the bar for this ride. You go Tim! As time gets closer to the ride and Tim starts to reveal more of his plans will I post more of his updates.

Your President,
Don Horn
