President's Report

For many, this month's ride was a 2 for one. The weekend started off Saturday evening with a dinner party hosted at Ranch Samatagama by Terry and Charlene Brown. What a great party! The evening was beautiful, and we couldn't have asked for better weather. Charlene and Terry – Thank you both for such a wonderful time and inviting the club to your home for this event. We had such a great turn out for the party and I would like to thank everyone for making the night such a great success.

Sunday was our monthly ride. The ride was led by Bill Cuddeback. Bill, and our ride committee did another fantastic job in plotting out the ride for the day. We had well over 38 in the saddle which made for an enjoyable ride and a chance for members to mingle with guests and one another. Bill found us a shady spot located in oak trees for our bar stop. Bill's scenic

ride led us through grass pastures, up and down rolling hills and around one of the ponds on the ranch. Great Job Cuddeback! We wrapped up the ride back at Terry and Charlene where lunch was catered by Descanso Junction and by our bar tender extrodinar Adam.

I would like to thank everyone for coming out and participating in our monthly club rides. Last month ride had 38 in the saddle and 60 for lunch. The excitement within the club is growing and it is shows as the head counts increase. Thank you all for taking the time and in making these rides such a success!

Thanks, Don Horn

THIS MONTHS RIDE WILL BE AT CROUCH MEADOWS August 25th

2019 Annual Ride

It's getting close to that time of the year for our annual ride. The sign up forms are in the mail and should be arriving shortly. Tim Laff is in the finishing stages and we will be sending

out updates as he finalizes them. Please make sure that you get your sign in form turned in early so that he can order your vest with your name.

August 25th Ride - Crouch Meadows

This month's ride will be August 25th at Crouch Meadows on Mt. Laguna, we ride out at 10:00 am.

For those who missed this ride 2 years ago, you missed a beautiful ride that sits at 5,000 ft. elevation on one of the historic ranches in San Diego County.

Our host for the ride are the Tulloch Family who are descendants of the George Sawday Family and who were instrumental in developing the cattle ranching empire that covered a large part of San Diego County.

George Sawday married Emily Crouch in 1904 whose family ran sheep at Crouch Meadows during the summer months which helped tie the empire together. The Sawday cattle empire lasted almost a half a century through leased and owned land that covered more than 200,000 acres in San Diego County.

Come join us for a memorable ride at Crouch Meadows - August 25th

Your ride committee - Steve Vaughn - Chuck Gallant - Ted Van Arsdale - Tim Dirkes Chairman
