President's Report

Well what can be said about this months ride. Another HOME RUN by our ride committee.

Crouch Meadows couldn't have been any better than what we experienced. The weather worked out with a slight breeze cooling the afternoon temperature. The panoramic views were only something you see in a magazine or a Chris Mummert painting.

Thanks to Ester for leading the ride and making the day extra exciting by throwing in a couple extra trails that were not planned, all for no additional charge of course. This made the ride a bit more entertaining and eventful. It gave everyone equal time for either being at the front or the rear during the ride.

A BIG THANKS to the Tullock Family and Glenn and Margaret Drown for hosting the ride on Sunday. For those that missed the ride, please go to the web site to view this ride. We had another fantastic turnout for the ride as well as for lunch. It's exciting to see everyone making the rides and participating.

Again I would like to thank our ride committee for making this ride such a success. You guys have taken us on some great rides this year and I can't wait to see what you have planned to top these last rides.

Get ready for our ANNUAL RIDE. Starting off with the clean up party on Sept 7th. If you can come out and help please contact Tim Laff. The ANNUAL RIDE is set for September 18 – 22. Letters for the ride have been mailed out and we have over 30 applications returned. If you have not gotten your letter please contact Tim Laff. Tim is busy putting the final touches for the ride together and it's looking to be a ride you won't want miss. WHO'S GOING TO WIN THE ULTIMATE COWBOY? I hear that there are some side bets being placed. Also like all of the years before, we are in need of raffle gifts. So if you can, go to your local feed store or order on Amazon and buy a \$gift to bring to the ride. Help us in making this years event a success.

Thank you all for coming out on the monthly rides in supporting your club!

Thanks, Don Horn
