## President's Report

The Coogan Ranch is one ride that I am sure will not be forgotten any time soon. We were so honored to ride this ranch and as Steve Vaughn stated, our club has not ridden this ranch in close to 30 years. We had a great turn out for the lunch with over 50 members and guest. Weather was perfect which made for an enjoyable relaxing afternoon. The bar stop was spot on with our bartender Adam, who kept everybody's glasses full during the extended bar stop.

Many of you might not have known, Jim had a small accident as he was headed to our event. So at the last minute on Friday afternoon your club members step it up to made the ride happen. Rick White found a catering company Buck Board Catering. John Omahen assisted with bringing enough tables and chairs for the luncheon. And all of this came together in less than 24 hours. Los Senderos members, you should be proud of the way your club membership stepped up at the last minute in making our ride the success it was. I wanted to say thanks to everyone involved in making this ride happen. THANK YOU ALL!

**PLEASE MARK YOUR CALENDARS:** Reservations for our Annual Los Senderos Meeting has been set for Sycuan / Singing Hills Golf Resort December 3rd, 2019. We will be electing a new board of directors and setting the direction for the upcoming year. Your participation is ever so important.

If you think you know of someone that would like to be on the next upcoming board please submit your recommendations to either Larry Tatman, Roger Berry or Jim Salvatore.

**November** will be our last ride for the year. It will be a combo ride. We will be leaving Tim Dirkes and riding the Garabani Ranch. We look forward to everyone coming out for our last ride of the year and in making this ride just as successful as all of the previous rides of this year.

As we head into the holidays I would like to wish everyone a safe and enjoyable holidays. And to thank everyone that has contributed in making this year such a successful year.

Your President,  
Don Horn
