

Los Senderos

DE SAN DIEGO

March 2020

President's Report

Gentlemen, after a great start to our year and our first ride @ Rancho Jamul in the books, life as we all know it has come to a screeching halt. This unforeseen virus has changed our priorities and our focus is now on the health of our family and friends. I hope everyone is making the necessary adjustments and is getting along with their neighbors during these tough times.

Ride Updates:

After canceling the March ride at Thing Valley Ranch due to weather, we have had to make the decision to cancel this months (April) ride due to the Coronavirus situation. As you know, the Center for Disease Control is recommending that there should be no gatherings of groups of 10 people or larger. Los Senderos De San Diego is going to follow these CDC guidelines, along with any other state and local recommendations.

Members Only Ride:

The Members Only Ride is still scheduled for May 28-31. 2020. Our ride chairman, Chuck Gallant has been planning a great event and we are hoping that this ride gets to go on as planned. The Los Senderos Board of Directors will be telephonically meeting to discuss this ride and all other events as the Coronavirus situation unfolds. We will keep all Members updated as decisions are made.

Membership:

I am excited to announce that we have (2) new members up for confirmation. I hope to be able to have them out on the trail with Los Senderos soon.

Los Senderos Park:

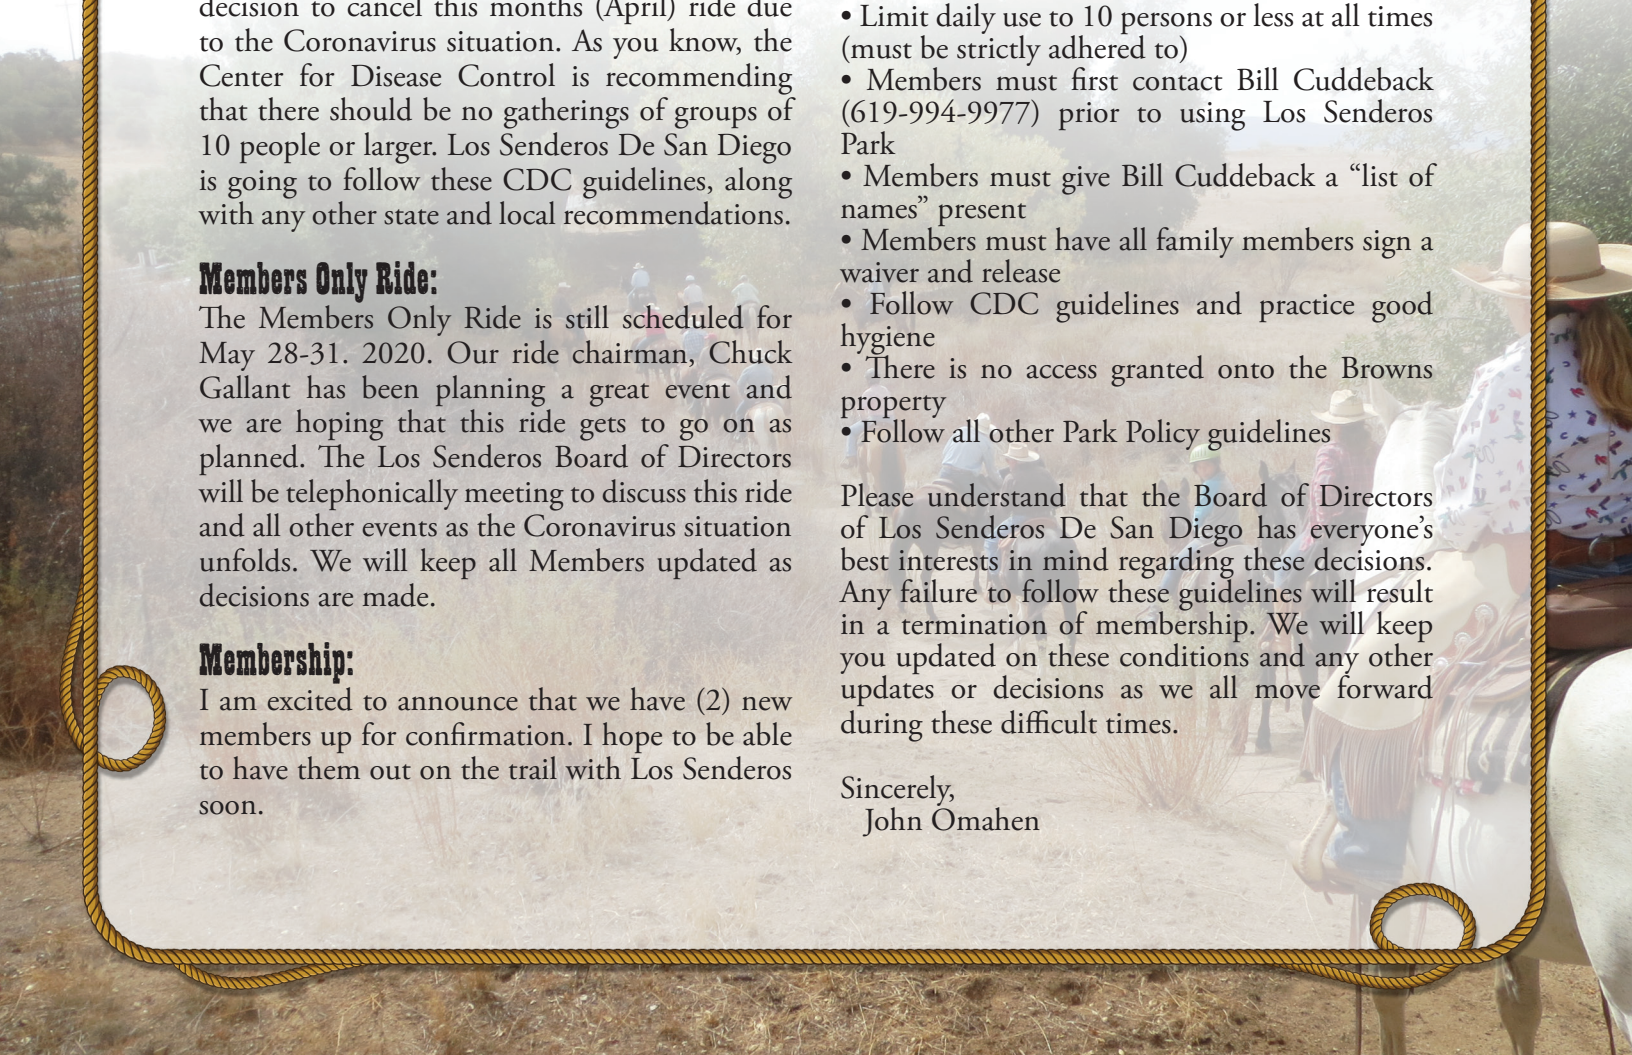

On 3/31/20, The Los Senderos Board of Directors conducted an emergency Board meeting to discuss the COVID-19 Coronavirus breakout. The Board of Directors has voted unanimously to take the following action to follow the CDC (Center of Disease Control and Prevention) guidelines regarding gatherings of more than 10 people.

* Use restrictions for Los Senderos Park *

- Only members and family allowed @ Los Senderos Park
- Limit daily use to 10 persons or less at all times (must be strictly adhered to)
- Members must first contact Bill Cuddeback (619-994-9977) prior to using Los Senderos Park
- Members must give Bill Cuddeback a "list of names" present
- Members must have all family members sign a waiver and release
- Follow CDC guidelines and practice good hygiene
- There is no access granted onto the Browns property
- Follow all other Park Policy guidelines

Please understand that the Board of Directors of Los Senderos De San Diego has everyone's best interests in mind regarding these decisions. Any failure to follow these guidelines will result in a termination of membership. We will keep you updated on these conditions and any other updates or decisions as we all move forward during these difficult times.

Sincerely,
John Omahen
