President's Report

Well, 2020 is almost in the books. I am sure that most everyone is looking forward to a fresh start for 2021. I am grateful to have served as Los Senderos President this year and consider it a great honor to have done so. It was trying at times, but Los Senderos and its Membership did not let anything get in our way. We had a great "Members Only Ride" and another fantastic "Annual Ride". We even kept most of our "Monthly Rides" on calendar. I want to thank everyone for their commitment to Los Senderos and for all the help I received this year. We are truly blessed to be able to do what we do as a club and our fellowship enjoying the outdoors on horseback.

Annual Meeting:

Our "Annual Meeting" was held at the Omahen Barn this year due to all venues being abandoned after our Sacramento leadership issued another one of their shut-downs. I want to thank all who were able to attend and fulfill our duty under the By-Laws. The highlight of the evening was presenting Scott Vowles with a "Buckle" for his 20+ years as Los Senderos Treasurer. Thank you, Scott, for your dedication to Los Senderos.

We were able to select a new Board of Directors and welcome in our new President, Tom Laff. I would like to thank Past President Don Horn for his leadership and I look forward to carrying out the tradition of assisting Los Senderos in that capacity moving forward. Having

Tom Laff assist me as my "Veep" this past year gives me full confidence that he will lead Los Senderos to a bright and successful 2021.
