March 2021

President's Report

Fellow Members and Honored Guests,

I hope this newsletter finds us all healthy and happy. Our March ride was on the Thing Valley Ranch, the drive in is a trek, but it was well worth the time! Thanks to the Ride Committee's well placed signs we all made it to the staging area. The Ranch is a very secluded gem of the East County. We had 35 Riders in the saddle as Steve Vaughn led us out. The trail took us on the outskirts of the valley, past the moto cross course that the current owner, Jeremy McGrath, built. At the south end of the Ranch we were met by Adam, with the bar trailer, who served up the refreshments. We were also met by Rob, Robbie, and Lance who are the current Ranch care takers. After a short break we rode back to the Ranch. Even with the long drive we had quite a few guests come out to join us for dinner. Jim Sheridan had a great meal prepared for us. I have to say the steak hit the spot! Along with drinks served by Adam and brownies to top it off. After introductions it became very clear that with this new Los Senderos President our club needs to invest in a teleprompter, but please no plane with stairs! Great to see everyone that showed up! What a great job by our ride committee.

Next Month's Ride:

Pamo Valley April 25, 2021

Members Only Ride:
