## President's Report

Fellow Members and Honored Guests,

It's hard to believe we just had our last monthly ride of the year. This year went by way to fast!

November's ride was hosted by Tim and Gayle Dirkes (Old Highway 80 Ranch). I have lost count on the times they have opened their ranch to us. Tim always has the ranch looking awesome.

After a morning pick me up (Thanks to Adam manning the bar trailer) it was time to mount up and ride off. From our staging area we crossed the highway on to the Garbani Ranch (A big thank you to the members that stopped traffic to allow all of us to cross safely) the trail headed up into the hill to Fred and Karen's house, where they met us along with their daughter, Tory. After a quick stop Fred led us out through the brush and trees, up and down knolls, till we rounded a bend and there it was, the bar stop.

Adam supplied us all with much needed refreshments. All of us kicked back and relaxed till it was time to mount back up and head back. The trail back took us up to a point where you could see all the way to the ocean, this trail was recently cleared by Fred and company and it was obvious that a lot of work was done just for this ride. We arrived back at Old Highway 80 Ranch. As we untacked guests started rolling in for dinner.

Billy put together a feast to say the least. We ate till we were full and then the desserts came out. Adam kept the drinks flowing throughout the meal. The last count I had was 33 riders in the saddle and 60 for dinner!! What a great turn out!

Once again thank you to Tim and Gayle and Fred and Karen for opening up their ranches for us.

A huge thank you to our monthly ride committee, headed up by Steve Vaughn, their attention to detail and hard work is obvious. Thank you to Tuck for all the photos, Rick White and Adam for the bar trailer, and Chuck Gallant for the awesome food prepared by Dinner Bell Catering.

I would like to take a moment and say thank you to all of you for supporting our club this past year, you are what makes the club great!!
