## President's Report

Fellow Members & Honored Guests,

March found us at the beautiful Moss Hacienda in Descanso. Due to the recent outbreak of EHV-1 we cancelled the ride scheduled for Sunday, but that virus didn't stop us from having a great dinner dance!!

I honestly cannot thank Jerry and Margaret enough for their endless generosity. What a beautiful location, plus we couldn't have asked for better weather. When Pam and I arrived to start setting up Jerry was there to greet us, and even with very sore feet helped set up tables. Thank you Jerry!! A big thank you to John and Kelly Omahen for all their help in setting up and getting everything in the right place!

The evening started with cocktail hour and Adam did a great job keeping glasses full. Appetizers (Bacon wrapped shrimp and artichoke dip) were put out to munch on and were amazing. Don the DJ (A Journey thru Music) played some great socializing music while we visited. After cocktail hour we feasted on prime rib and parmesan chicken, along with potatoes, pasta, roasted carrots and asparagus, and a dinner salad to boot! All of this was topped off with warm apple cobbler and rich dark chocolate cheese cake! I think Tammy and her crew from Descanso Junction Catering did a fantastic job!!

Dinner was followed by acknowledging

These members put in a lot of time and work to help make last year one for the record books. I have a special thank you to my wife Pam and daughter Tami, who helped me tremendously with our monthly newsletters.

Last but surely not least, the Member of The Year Award went to Chuck Gallant. Chuck is always offering his time and energy to Los Senderos. I couldn't write down in words everything he does for our club. Thank you Chuck, well deserved!!

We finished out the night with dancing and socializing, and more dancing!! Thank you to everyone that stayed and helped us clean up and put tables and chairs away. It certainly made my job so much easier. I would also like to thank all of you for your understanding for having to postpone the dinner dance back in January.

I have a special thank you to my wife Pam who put a lot of time, work and energy into making this dinner dance happen, thank you Pam!!
