DE SAN DIEGO

July 2022

## President's Report

Fellow Members & Honored Guests,

July's ride was held at Rancho Samataguma in Guatay. The ride was kicked off on Saturday night by a dinner hosted by Terry and Charlene Brown. We couldn't of asked for better weather in July. The evening started with appetizers of quesadillas and sopes, freshly prepared while you watched, along with chips and all the trimmings. Our cold drinks were served by Scott Bernard (son of longtime member George Bernard). We were treated to a tri-tip dinner cooked to perfection by Scott Brown, with all the wonderful side dishes prepared by Charlene. After we were all totally satisfied with the amazing dinner, if you could find room for dessert Charlene provided an amazing assortment of sweet desserts to choose from. This dinner (hosted by Terry and Charlene) has been a long tradition for the Los Senderos Club and after a couple of years absence it was very much appreciated.

Sunday's ride was led by Mike and Mardi Tinch. We had 16 in the saddle and we rode through the south part of Rancho Samataguma to the bar stop where we were met by Bill and Lougene Cuddeback and our bartender for the day, Zach. On our way back with the extra warm weather Mike surprised us with another short refreshment stop.

As we arrived back at the arena we tended to our horses, then headed over to dinner. Billy Butter (Dinner Bell Catering) put together a feast. We all enjoyed our dinner and some cold refreshments served by Zach, even with the light turnout for dinner. Thank you to everyone that braved the warm weather and joined us for the ride and/or dinner. The company was great!

This event would not have been possible without the generosity of Terry and Charlene Brown. The hours of work and preparation was very apparent and greatly appreciated. Thank you!!! Special thanks to Tuck Arnold who once again was everywhere Saturday and Sunday taking his famous pictures!! And we can't forget to thank Rick White for handling the bar trailer; Mike and Marti Tinch for leading; and Bill and Lougene Cuddeback for the bar stops. Thank you to Steve Vaugh and his monthly ride committee also.

I am not sure if it is just a rumor or for real, but we should be revealing our new bar trailer at the August ride. Thank you, Tuck Arnold and John Omahen, for all the work of making this trailer happen!!!

Before I close this newsletter, I'd like to offer our deepest condolences to two of our members, Dennis and Ron Carlson, for the loss of their mother. Our thoughts and prayers are with you and your families.

August ride:

Our August ride will be at French Valley, Mount Palomar and you don't want to miss it. Directions will be posted on the website soon.
