President's Report

Fellow Members & Honored Guests,

June's ride found us at the Tulloch Ranch in Santa Ysabel. The weather was a little on the warm side but didn't take away from the beauty of the ranch. We had over 20 members and guests in the saddle. Our trail boss was Margaret and Glenn Drown's son Cameron, and riding by his side was his girlfriend, Jacklyn. After morning refreshments, we headed out over the rolling hills, under some nice shady trees and through a few gates (Thank you Chris Castillo for doing gate duty). After close to two hours we came around a bend and there was the sight we had all been waiting to see.... the bar trailer!!! After Adam served up ice cold refreshments we relaxed and socialized until Steve Vaughn gave the word to mount up. We lucked out as we had a nice breeze all the way back to our rigs.

When we reached out rigs and after everyone had tended to their horses, we headed over to a nice stand of oak trees which offered us some much-needed shade during dinner. It was great to see so many members and their guests who made the drive up for dinner. Billy Butter served up another fantastic meal and I don't believe anyone left hungry.

I can't thank the Tulloch and Drown Families enough for their hospitality and for allowing us to ride their different ranches is greatly appreciated. The work they put into the ride,

from mowing the parking area to providing a water buffalo for filling the horses water buckets is really above and beyond nice!

Thank you to Steve Vaughn, Monthly Ride Chairman, and his committee, Tim Dirkes, Bill Cuddeback, Dennis Ince and Chuck Gallant. Thank you to Rick White for stocking the bar trailer and getting it to the ride location. Thank you to Tuck Arnold for the awesome pictures he takes. The next time you're writing that check to the club take a moment to thank Scott Vowles for all the time and effort he puts in as our club's treasurer.
