President's Report

Fellow Members & Honored Guests,

August's ride was held up on Palomar Mountain at the French Valley Ranch. We are very fortunate to have the chance to enjoy the magnificent beauty of the ranch. Even during this dry spell, the French Valley is a sight to see. As we rode in and out of the pines my grandson, Trevor, commented that if he didn't know better, he would think we were in Montana!

Thank you to everyone that made the drive up. Thank you to our monthly ride chairman Steve Vaughn and his committee, Tim Dirkes, Dennis Ince, Chuck Gallant and Bill Cuddeback for another great ride. Also, a huge thank you to the Bergman Family.

Our drinks for the ride were served ice cold thanks to Adam, and the meal was great as always. Thank you, Billy (Dinner Bell Catering). Thank you Tuck for all the great photographs.

Those members at the were treated to being the first to see the long-awaited New Bar Trailer!! To try to describe it isn't possible. What an awesome job Tuck and John O. did designing everything, and Scott Bernard's quality workmanship is very evident. Thank you Tuck and John O. for taking on the task and seeing it through until the end. You did an amazing job!!
