President's Report

Fellow Members & Honored Guests,

I hope everyone enjoyed a fantastic Thanksgiving Day with your families and friends. What better way to end the long weekend than a Los Senderos ride. Our ride was held at Lions, Tigers and Bears (hosts Mark and Bobbie Brink). What a beautiful sanctuary they have!!

We had 31 in the saddle for the ride. Thank you to Fred, DK and Bob for their hard work in clearing us a new trail back in the national forest property. Our break location was the Fordems Ranch. Adam had cold drinks for everyone and thanks to Kelly Omahen we had some delicious appetizers. Thank you Kelly!!

Billy Butter (Dinner Bell Catering put a heck of a feast together which was enjoyed by over 90 members and their guests. After dinner there were tours of the animals and facilities provided to those who were interested in attending. What a great way to close out the Thanksgiving weekend.

Thank you to Steve Vaughn (monthly ride chairman) and his committee, Tim Dirkes, Dennis Ince and Chuck Gallant for another fantastic ride. All the time and work you put into the ride is very much appreciated...Thank You!!

Special thanks go to Fred Garbani (trail boss), Adam (bartender for cold refreshments), Dinner Bell Catering (great dinner), Rick White (stocking and hauling the bar trailer). Thanks go to John and Trevor Omahen for the extra tables and chairs (we sure needed them). Thank you to Tuck Arnold for all the awesome pictures. A big thanks to all the members and their guests who attended and made this such a great ride to end the year.
