

Los Senderos

DE SAN DIEGO

March 2023

President's Report

Gentlemen, Los Senderos finally got it's first ride of the year in at Camp Locketts in Campo. The ride with 20 in the saddle and another 6 for dinner was right along the border fence. Camp Locketts was originally established as a military base to guard the border. It was probably one of the few spots in San Diego County that the trail was dry and not wet and muddy.

The Club wants to thank Dennis Ince and his ride committee for the work they did to organize and run the ride. Also as usual a good meal was prepared by Billy Butters and drinks served by bartender Adam Howe.

Were sorry hear that long time Los Senderos member Bud Baker passed away recently, he will be missed.

Members please reserve Saturday May 13 on your calenders for a work party at Los Senderos Park in preparation for this years Members Only Ride.

The Annual Ride Committee would like to remind everyone to take advantage of the early bird sign-up for the ride by May 1. They are trying to get an accurate as possible count for the ride in order purchase the ride gifts which have to be ordered by then. Applications are available on the website or in the email sent out February 26.

Next months ride will be held at Pamo Valley in Ramona and has always been a club favorite. Please sign up to attend.
