President's Report

Gentlemen, Dennis Ince and his Ride Committee organized a great ride at the Fiegal Ranch in Mesa Grande thanks to our gracious host Kathy Fiegal. The weather was beautiful, sunny 80 degrees with a slight breeze. The ride had 19 in the saddle and 24 for lunch. I want to comment on the dedication by Tuck Arnold who showed up for the whole ride so he could host his two guests that rode even though his horse was sick leaving him horseless. Those who rode were treated to a wonderful view from the hilltop where Warner Springs, Mesa Grande and Santa Ysabel could all be seen.

With Billy Butters on vacation, the Ride Committee arranged for Eleazar Catering to fill in. And they provided a meal enjoyed by those in attendance. I want to again thank Adam Howe for his usual good job as bartender and Rick White for stocking the bar wagon. Also want to thank Tuck and Rick for taking the ride photos.

Make sure you have marked on your calendars and plan to attend, the barbeque/party at 5:00 Saturday, July 22, hosted by Terry and Charlene Brown and the ride Sunday July 23, both at Rancho Samatagama.
