July 2023

President's Report

Gentlemen, it's a somber to note that the club has lost 3 members or past members this year, Bud Baker, Terry Brown and Wayne Oberreuter. I hope it ends there.

As you are aware the July Ride and the barbque/party at Rancho Samatagama both to be hosted by Terry and Charlene Brown were canceled due to Terry's untimely death. No word yet on services for Terry, they will be forwarded when received.

Looking forward, we have the Ride on Sunday August 27th at Crouch Meadows in Laguna hosted by the Tulock Ranches. This is a scenic ride through pastures and pine trees where the Tulocks summer pasture their cattle. Look forward to seeing you there.

Also the Annual Ride is fast approaching on September 20th -24th. Tuck Arnold and his committee are preparing a great ride with trail rides, sorting clinic by James Greer, a sorting competition, shot gun shoot, and cowboy challenge along with good company. Tuck reports that there has been a good signup so far. If you haven't signed up yet or have guests that want to add, its not too late. Don't forget the work party 8:30 Saturday September 9th and to get your raffle/auction donations turned in to Rick White and his committee.
