President's Report

Well Gents, the year is flying by and our fifth ride of the year at the Lucky Five Ranch was a great one. Our Ranch Hosts Joe and Danna made us feel right welcome at a place we have ridden many times in the past under different owners. It turned out to be a very nice ride, the weather was great and the turnout was even better. We had a rocky start getting this one off the ground. Our Monthly Ride Chairman Dennis Ince had a slight mishap during the pre-ride and was unable to finish it but is on the mend. Luckily, his committee stepped up and did the pre-ride and mapped out a very comfortable ride. Now some folks will say it was kind of short but our substitute ramrod Bob Wining extended the ride with a prank to get us lost. He soon got us back on the trail heading to our best (and longest) bar stop this year. Thanks to Adam, we refreshed ourselves while lingering over beverages and swapping stories of past rides and bushwacking this one.

The Corte Madera Ranch in Pine Valley is our next monthly ride on August 25 and we're looking for a good turnout. Sounds like Dennis will be back in the saddle for the ride and is working on the pre-ride on August 20. I'm sure Dennis will let us know the pertinent information including the gate code for us to enjoy the ride and lunch. Dennis says our ranch hosts will be joining us on the ride. Please sign up on the web site or RSVP to Dennis so we can get a good headcount for lunch.

The Annual Ride is fast approaching, with the ride opening on Wednesday, September 18. Johnny Omahen is planning a camp clean-up work party on September 14 with lunch and beverages provided. About 24 members have signed up so far and we're expecting more as we get closer to the ride. Don't forget to contact Bob Wining, Tuck Arnold or Rick White for your donations to the auction and raffle.

Finally, as I write this message, I am reminded of all the giants in our past membership who came before us, and especially now the legendary Terry Brown. They played huge roles in developing the legacy of Los Senderos and we owe them our gratitude for, among other things, their vision, their promotion of fellowship among the members young and old, and for protecting the country in which we ride and now enjoy. It is up to us to do everything we can to foster the objectives established by the club's founders and subsequent members. God Bless America and Los Senderos!
