October 2025

From the Oval Office : President's Report

Another impressive Annual Ride in the books for 2025. We had a great turnout of members and guests. Ride Chairman John Omahen and his committees did an outstanding job putting together a ride that won't be forgotten anytime soon.

I want to thank John for a job well done. Your attention to detail was not overlooked.

Thursday, we opened with a trail ride that included a Poker Run into Rancho Samataguma. Friday included the Shotgun Shoot, along with a new addition, a 2-man Jackpot Sorting Challenge. Saturday, we started the day off with the 3-man Team Sorting Competition. After lunch, we went into the Cowboy Challenge events: Bocce Ball, Cornhole, and Horseshoes. We had a Memorial dedication for Terry Brown, accompanied by a group photo at the flagpole.

There are lots of members to thank. The Annual Sorting Competition is the flagship event of the week. Many thanks to Tom Laff, Tim Laff, and Steve Vaughn for their combined work in getting our sorting arena competition-ready. Thanks go out to Larry Alameda for coordinating the Shotgun Shoot and announcing the Sorting events. Johnny Omahen for putting together the Poker ride and the Cowboy Challenge events. Special thanks to Gordon Garewal for once again supplying the Hay for our horses.

Our Raffle Committee: Don Horn, Rick White, Tuck Arnold, & James O'Keefe. A huge thank you to everyone who donated, purchased tickets, and bid on auction items.
