Los Senderos February ride

What a great ride to start 2026 off with. Wonderful work done by Dennis Ince and his monthly ride committee. Thank you to Dave Summerville for acquiring Camp Lockett for the ride and many thanks to our Ranch Hosts, Gabe and Natalie Larson. They allowed us to have our bar stop and ride through their beautiful ranch.

The rains before the ride kept the dust down and the weather could not have been better!

Billy and Dillion cooked up (as always) another delicious meal and Adam was right there providing your choice of refreshments.

Please remember to complete your liability release forms for you and your guests (they are in the refreshment trailer).

Keep an eye out for next month's ride by checking on the website. The date for the ride is March 15 th (note the date change), at Thing Valley Ranch in Pine Valley.

If you have not received the bill for your annual dues from Scott, please contact him as he has had some computer issues.

Please remember to tell your guests, we are a western riding group in nature so cowboy boots, long or short sleeves button or snap down shirts, and western hats.

See y'all next month at Thing Valley Ranch!
