

Los Senderos

DE SAN DIEGO

June 2026

From the Oval Office : President's Report

Thanks to all who came on the Tellam Ranch ride. John and his mom were great hosts. John spent a lot of time clearing trails making for an easy ride. We went into other areas of the ranch this time, making the ride about 3 hours long, riding through lots of large oak tree groves and green pastures. We had the bar stop at John's Wonderland. The weather was awesome and the bugs were few. We had 21 riders in the saddle plus about 10 members for dinner. Thanks to Billy Butter for a great meal and of course, thanks to Adam for being our bartender. Once again, thanks to the Tellam family for sharing their ranch with us!
